

Fried Potato Stuffing With Cow Shell.

“So... the dragon wants potatoes.”

“Yup.”

“How the Hell am I supposed to cook enough potatoes to satisfy a sixty-foot beast that breathes fire?”

“She’s paying you enough... what do you mean, ‘cook?’ She’s a **dragon.**”

“You kind of have to cook potatoes to make them edible... wait! That’s it.”

“What?”

“We take the potatoes, wash them down with oil and salt, then stuff ‘em in the usual cow. She flash-broils the cow for once, the potatoes instantly fry up, bam! “Fried Potato Stuffing with Cow Shell.” Done!”

“That... should work, actually.”

“Well, as you said: she’s paying me enough.”
