

Alone

Every ghost is alone.

It's part of the Rules. If you want to stay on Earth, you get told -- I can't even begin to describe Who it was that told me this -- you can't interact with other ghosts. We can remain here as long as we like, but we cannot perceive other spectres.

But there are **humans** who can perceive us! Like you. So please, help me. Go to this location. Before she died, she said she'd wait for me there. It was our favorite spot.

Tell my wife that I love her, but that she needs to move on.
