

Reasonable Realignment of Resources

“I don’t know why this should be such a difficult situation,” said the dragon. “Your Order has always been steeped in draconic lore. It’s what you *do*.”

I cleared my throat. “Well... yes. But, ah, your Excellency...”

“A simple ‘Baroness Brightscale’ will be sufficient, Grand Master.”

“Yes, of course, Baroness Brightscale. But, it’s just that all of our lore is about how to *kill* dragons!”

“Really? Do tell.” said the Emperor’s newest baroness. “How *convenient* for the knights to be assigned to me, then. All they have to do is the exact opposite of that and everything will be fine.”
