

## And Yet, Here It Is

“Look,” I said reasonably, “there *is* no Wonderland. So you can’t bring things *back* from there.”

The superhero rolled his eyes. “I can teleport anywhere I visualize, right?” I shrugged. “And your lab worked out how I could use the TV to visualize, *right?*” I shrugged again. The superhero pointed to the movie on the plasma screen. “Turns out, it’s *really easy* to visualize the Red Queen’s Court.”

“The *set!* You should be going to the *movie set!*” OK, I was shouting.

“Well, gee, I guess I DIDN’T, did I? Dammit, do you want this *Drink Me* potion, or not?”
