

Bell, Book, and Candle

The general looked at the ogres. “So, they worship... a Human god?”

The hierophant nodded. “Nobody we’ve ever heard of, but yes. Their books are clear about it..”

“Wait. These ogres can *read*?”

“Read, write, avoid eating people. They’re still no smarter, but my priests can’t find any Corruption in them. Which is why they joined the War on our side.”

“How are they doing?”

“Rather well. Their exorcists especially. They work in threes: one holds the Possessed down, one yanks out the demon, and one hits the demon with a club.” The hierophant shrugged. “Not subtle, but it works.”
