

**Gonna be a LOT of Red Fives standing by...**

**“It’s not really a *spaceship*,” explained the somewhat overweight, bearded man. He pushed his glasses back up on his face; the woman he was talking to reflexively followed suit. “I mean, it’s just a frame. We slap a copied Invader Widget in, it gives power, shielding, and motive force. The frame can be anything.”**

**The woman nodded. “So why did you make it look like a flying copyright violation?”**

**The man blinked. “I’m slapping on some copied, jury-rigged Invader blasters and taking it up into LEO to go shoot at the Invaders. Who is Disney going to sue? My estate?”**
