

Use The Force

“We used to wonder whether there were aliens,” the human engineer casually told me as he tried to keep the annihilation drive from, well, you know. “And when you showed up, we then wondered what we could possibly teach you guys. What made us special?”

They’ve got a grin reflex, too. Did you know that? He went on, “Then we found out just how awful your adhesive technology was. More [tape], please.”

“Yes, of course. ...The, ah, [duct tape]?” The engineer shook his head as the smoke started clearing.

“Nah. The clear stuff. [Scotch tape] will do for this job.”
