

Get Back Into the Garage

I've gone over the records from the First Republic a thousand times, and I am convinced of one thing: the info-structures known as 'Conjure Wife' and 'Bewitched' simply do not reflect *actual* Ancient American magical practices. We do not *need* to ape them. We absolutely do not need to ape their dress, their *cooking* -- or their cultural gender roles.

Yes, yes, I know the spells derived from that -- artificial! -- magical system *work*. They don't **need** that system to work! Just about any other occult mindset would work, too!

No, I will *not* stop worrying my handsome little head over it.
