

Spirits Getting Drunk

Drinks are tricky things, here in the afterlife. You never know which drink is compatible with which shade or soul. Seriously, it can be a *problem* when you have billions of souls to deal with. And that's just considering humans. Ex-humans? Post-humans? You know what I mean.

On the bright side, if you can navigate all of this you're in a great place to cater parties. What? Sure, the afterlife has parties. Even places like Hell. Eternity is, you know, *eternity*, hey? People get bored.

Unfortunately, people also get drunk. Particularly dead ones. You need a *special* sort of bouncer.
