

# SS YARRRR

Call me Captain Blackscale.

It cost me a hoard to have a spacesuit made in my size and shape. Fortunately, I have two. ...*Had* two. I had two hoards, and now I have none, because the other one went to buy the spaceship. That one wasn't so expensive, because I could get an obsolete attack-craft carrier.

Mind you, I don't plan to launch *myself* from my ship. The wings won't work in space. No, I'll fight battles from the bridge, like a *respectable* privateer. And there is so much loot in a fat merchant ship!

...I will have THREE HOARDS!
