

Doing Good by Doing Bad

I love watching the Good-aligned pore over my contracts. They know there's *got* to be something wrong with them, but they can't figure out what. They'll still always sign on the dotted line. You don't enter my office unless you have no other choice.

I waited until they finally signed before pushing the button. "There we go!" I boomed. "The Hellburner Brigade is already on the march. Let's see how those fiends tormenting you like facing a *proper* Infernal horde."

We'll certainly enjoy conquering the fiends' Infernal territory, I thought. Now that we have a contract even Heaven can't contest...
