

# From The Saga Of Brad Just Brad

Yo! *Dude!*

Like, check this out! Malibu!  
Beach of sunset, perfect waves  
Land of heroes, golden babes  
Queen over coast, yeah, fer sure,  
From Holy Wood, land of stars  
To Rocket-town, gods' air-ports.

On golden sands, all the best  
Kens and barbies strut their stuff;  
Place for seeing, to be seen  
For boasting, brews, brags and bouts.  
There Righteous Dudes - Dudettes, too -  
Hang out, waiting, for the foam.

So, yeah, there was this dude, Brad?  
He needs a tale! He was great  
At starting shit, and then at  
Stopping it cold. He just rocked;  
All Malibu knew his name.  
He was good Ken! Like, the best.
