

# Two-Fisted Cosmic Cthulhu Tales!

We don't hate bookworms and eggheads -- yeah, I know. So why am I calling 'em names? Look, I'm kinda a work in progress. I grew up in the War, so my language ain't always pretty.

But I don't hate those guys. Knowing stuff is good! As long as it ain't the stuff those 'Old Ones' want us to learn. That's brain-rot knowledge. Kills people harder than my gun ever did. Lucky for us, all that 'inevitable defeat' crap was just that: crap. We beat 'em. Cost us a quarter of humanity, but we beat 'em.

And now, the stars await.
