

# Unexpected Blade

Let's get this out of the way. Yes, I am a murder knife. Yes, I have powers. No, they won't work if you use me to legally execute someone, or kill them in war (or even self-defense). It has to be flat-out, deliberate, unsanctioned murder.

Sure, *absolutely* put me back in the box, then. That's the smart play, honestly. I'm not even mad about it. Being a murder knife is damned awful, if you'll pardon the pun. The guy who keeps making us is *vile*.

Oh, yes, he's still doing it. Gleefully.

What's that?

Sure, I know where he lives.
