

# The Seam In tHe World

The Seam In tHe World - No, I don't know how I'm making you hear the capital H in 'tHe,' either. Anyway, you can't actually touch tHe Seam. You can see and even photograph it - but you can't touch it. Your hand skitters off.

They brought in a scoop once, tried to get both sides at once. Couldn't use the scoop afterward. That's what they said: "You can't use the scoop now." Then they changed the subject.

Try not to think about tHe Seam too hard. I'd say don't think about it at all, but we both know that ain't happening.
