

There's Worse Places To Wait Out A War

'Club Leng,' they call this place. It's a Hyum'n joke of some kind. I don't think I'm supposed to get it.

I mean, it's a great place for a POW camp. The soup-breathers even went out of their way to put it somewhere my people can breathe properly. And the view's *amazing*. The locals call these mountains the 'Snow-Houses,' but it's not *wet* here, either! When I was stuck in their lowlands, things ended up *growing* on me. Everything *itched*. Not here! Here, I sleep like a baby. I've even gained weight.

...Why *are* we at war with this species?
