

Flee The Charnel Ship!

You should never have come on this ship, *corsair*. This is no place for the living. Neither is it a place for the damned.

What? No! *We* are not the damned, undead or not. We did not choose our curses; neither will we eat the poisoned fruit of self-destruction. Here on this ship, we can stay apart from humanity, and keep our own souls. We harm no-one, and fight only to defend ourselves. You'll understand, soon.

Oh, yes, you're becoming one of us. All that infected blood in the air from the fighting, you understand. Which *you* started, not us...
