

Xenohunting Advice

Humans don't scare me. You just gotta know how to handle 'em. The trick is to remember: they mostly get pissed when you act aggressive *at* them. You can fight the crazy animals on their planet all you like.

Good sport, too. You ever see those 'crocs' they got? Tricky buggers. Crocs, 'sharks,' 'hippos,' - all the horrible things on Earth live in the water, you know. Plan your hunts accordingly.

So, yeah, mess around with *monsters*. Just keep your claws off the humans, and you should be okay. As long as, you know, stay away from human spawn.

Far away.
