

Apocalypse Prom

I always figured that if prom happened during the end of the world, there'd at least be guns and stuff. Maybe a zombie horde being held at bay. That'd be cool, right? They'd be howling outside, and break through, and then we'd shoot 'em all.

Real apocalypses are *boring*. The grownups are all freaking out, but they want us to have a 'normal experience.' Like anything's normal about high school anyway! So we all have to act like nothing's wrong. Stupid dances. Stupid punch. Not even any booze.

Me and Gina, though? We got a plan for a *kickass* afterparty...
