

The Snake Is In On It, Too

You know the story of Loki's punishment, yes? ...No? Argh! We do not have the time! Baldur, mistletoe, rock, entrails, snake, venom! Go 'look it up' on your human thing. You can read faster than I can talk.

Have you now read it? Good. We must **go**.

This is about Sigyn -- yes, yes, Loki's wife. Sigyn collects the venom in a bowl before it harms Loki. When it is full, he is tormented until she replaces the bowl. You have been told this. What you have *not* been told is what she does with the venom.

No chain is unbreakable.
